

Kruger Park Lodge

Situated in Mpumalanga, a mere stones' throw from the Kruger National Park, one finds the rarest of gems located on the banks of the majestic Sabie River. Situated in prime position, unit #267, situated at Kruger Park Lodge is the latest acquisition by Legacy Private Residencies.

The interiors manage to combine luxury with outdoor country living to create the perfect holiday experience. This along with the top of the line appliances from dishwasher, tumble dryer to top of the range LCD's in each room, ensures that the scene is set for wonderful and memorable holiday experiences. Besides your own private pool, activities within Kruger Park Lodge include golf (Gary Player designed course), Tennis, a children's play area, putt-putt as well beautiful walks along the river.

Due to the success of the current Legacy Private Residencies house at Kruger Park Lodge, another unit (#267) has been procured for the purposes of fractional ownership. There are six Fractions available for unit #267 and they will be available from the 1st of July 2009. Please contact Peter Foaden (011) 208 8300 for more information.
